

**Three steps to set up your  
account and access  
memberships or ball credit**

# STEP 1: Create Account

## Sweetspot account

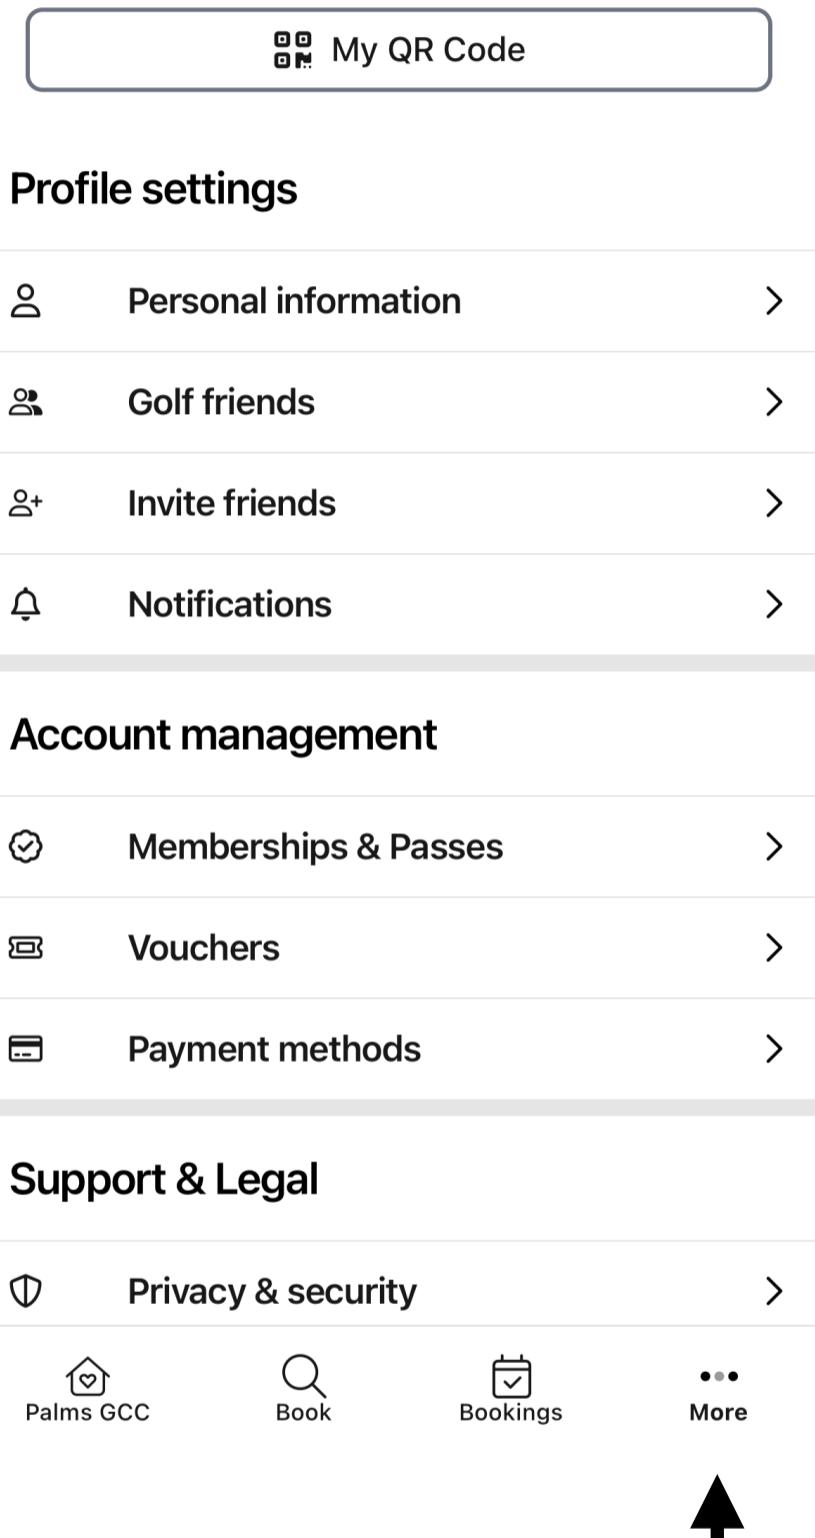

Download the Sweetspot app by scanning the QR code below. Once the app is installed, select “Create account”.

### Fill in your information:

- E-mail
- Password
- First name
- Last name
- Phone number

# STEP 2: Account Management

## My QR Code

- 'My QR Code' is what you will use to identify yourself at the ball dispenser
- Place the QR code on the tray beneath the scanner and it will identify your account and any live discounts or credit

## Memberships & Passes

- Here you can find any active memberships or passes you have in Sweetspot

- By selecting the relevant membership or pass, you can see how much ball credit you have available to use

- We hope to move any existing ball credit from previous system the same day of install however there may be slight delays during this process

**Select 'More' on the bottom tab to find your profile**

# STEP 3: Using membership & ball credit at the dispenser

Select Scan QR Code

Open 'My QR Code' in Sweetspot App  
then place code facing up on the tray

Choose basket size

Use contactless payment or ball  
credit (if available)
