

Launch kit

This kit is designed to help you introduce a smarter, more flexible golf experience across your facility.

Inside, you'll find printable posters, that guide players to manage their visits through Sweetspot.

Put these materials where decisions happen
—at the range, in bays, and around your facility—
and let Sweetspot do the rest.

We are powered by

Sweetspot.

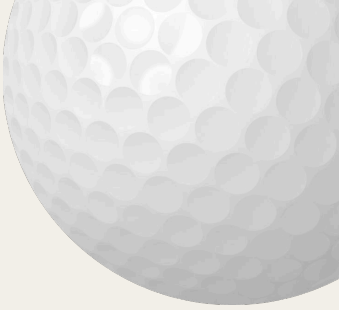

For a seamless and automated
experience at your facility

- Download the SweetSpot app
- Create your account
- Book your session online

[Download the SweetSpot app to get started](#)

Book your Toptracer Bay with Sweetspot

How it works:

- 1 Scan the QR code
- 2 See available bays
- 3 Book and pay for your session

 **Sweetspot.** x  **TOPTRACER**
